

NO-TAV YOUTH COMMITTEE

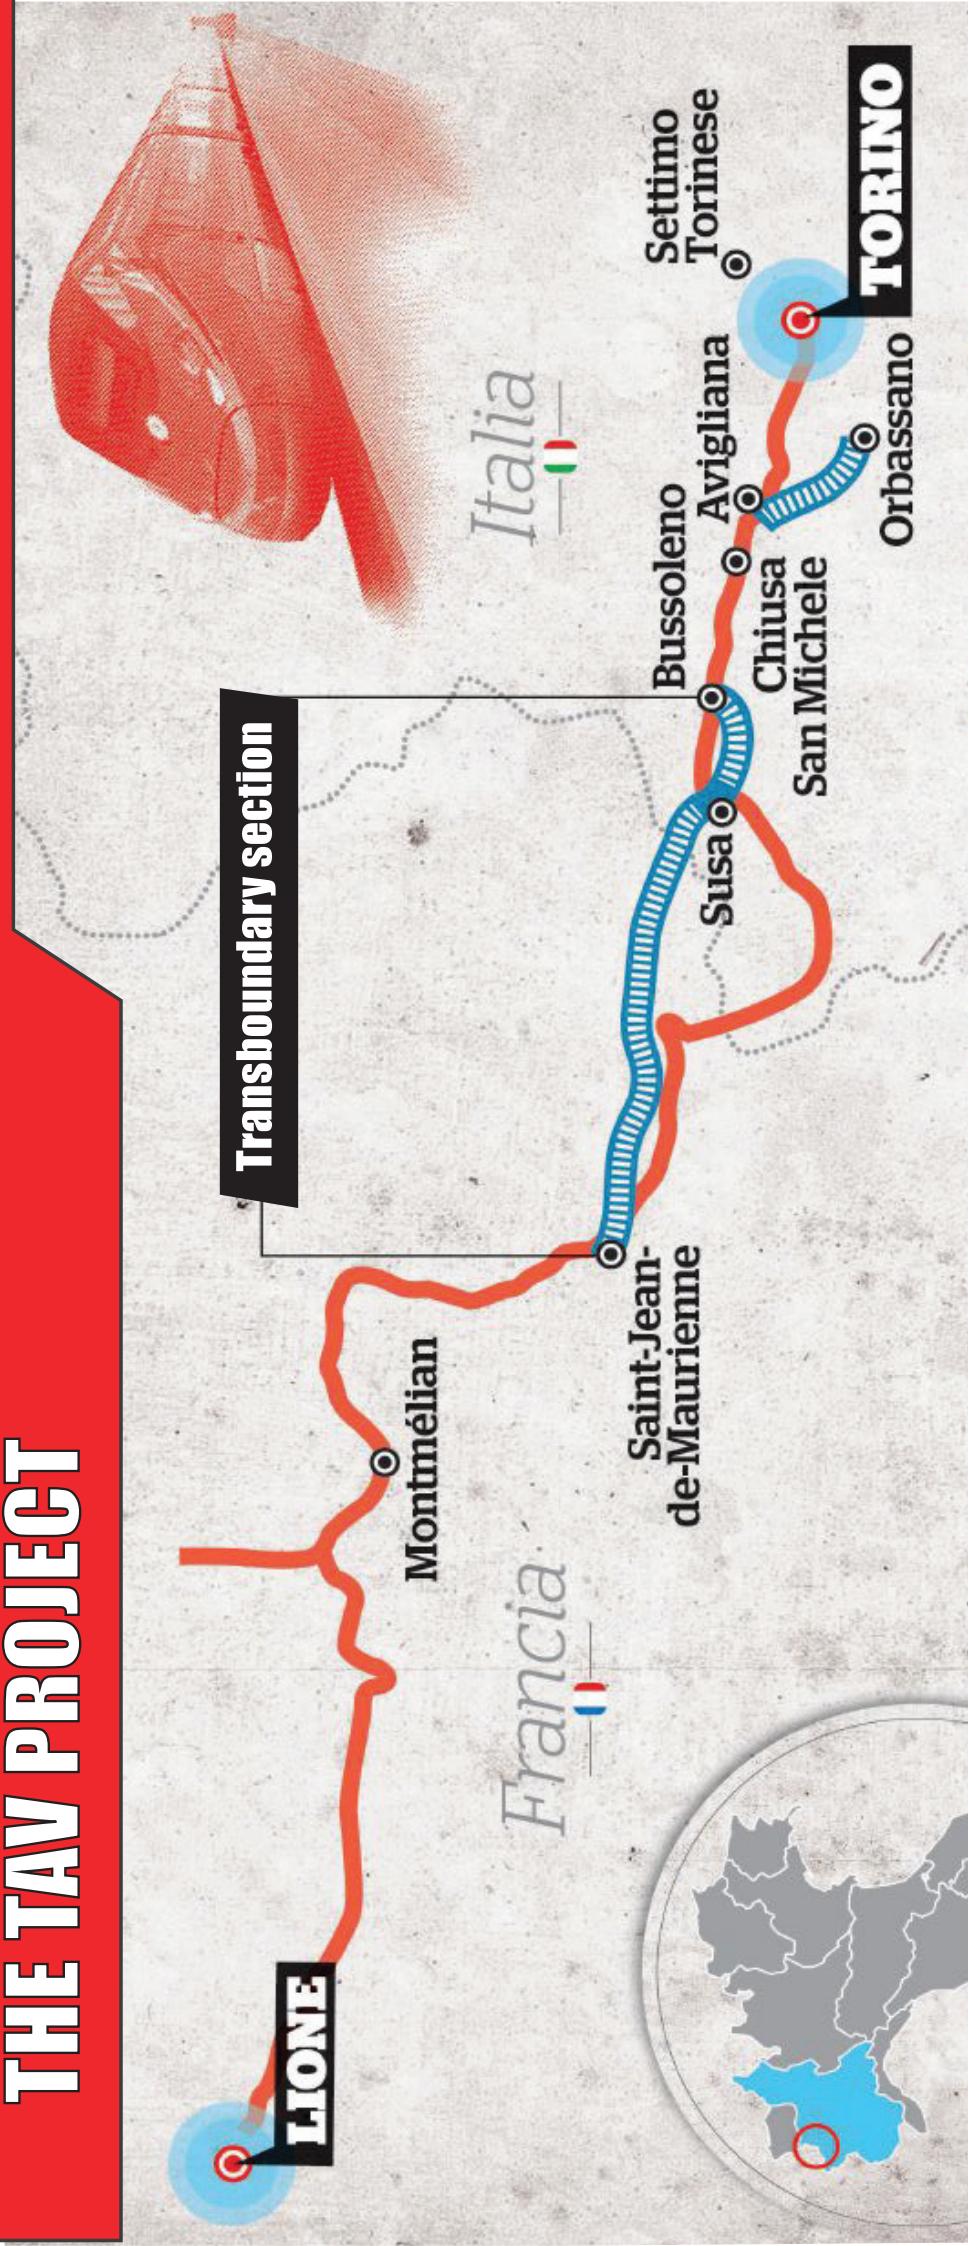

NO-TAV YOUTH COMMITTEE

WHAT IS THE NO TAV MOVEMENT?

It is a social movement that opposes the construction of the TAV, (high-speed railway), between Turin and Lyon since the 90s, because of environmental, economic and social issues.

EXAMPLES OF POLICE REPRESSION AND VIOLENCE

27 june 2011: Forced eviction of the Maddalena area in Chiomonte, a place occupied by activists in order to obstruct the opening of the construction site.

3 july 2011: Huge demonstration as a reaction to the eviction, police shot 4357 tear gas canisters (cs gas).

25 February 2012: In Turin train station, police attacks activists arriving by train coming from a demonstration in the valley.

29 February 2012: Huge demonstration in which police used water cannons and violence to disperse the crowd, chasing them even inside a restaurant in the village.

JUDICIARY REPRESSION

Some statistics summarizing the No TAV movement legal situation

From 2010 to 2017 There have been 1500 people under investigation.

Of these, 327 only in 2011 and 183 between 2015 and 2016
This is equivalent to one person investigated every two days.

In 2013, 4 people were accused of terrorism and during the judicial process, they spent 6 months in jail, in solitary confinement.

In 2014, the final court decision declared that the accusations were unfounded.
